

ARROYO BURRO WATERSHED COMMUNITY FORUM

COMMENT CARD ACCEPTED ANYTIME!

Thank you for your interest in assisting us to identify priorities and opportunities for developing action plans to improve the quality of life in the Arroyo Burro Watershed. To assist the work of the technical experts, we would like your perspective on the issues and priorities.

Please use this sheet to record any ideas, overall comments or questions you would like to raise regarding tonight's discussions of Santa Barbara's Arroyo Burro Watershed Action Plan.

Please return comments to City of Santa Barbara Parks and Recreation, Creeks Division, 620 Laguna Street, Santa Barbara, CA 93101 or email to JZachary@SantaBarbaraCA.gov. For more information go to www.sbcreeks.com, call 897-2658, or email: JZachary@SantaBarbaraCA.gov.

Framework for Watershed Action Plans

Issues and Considerations	1. What <u>problems</u> are you aware of in the categories below?	2. What <u>opportunities</u> should be explored in the categories below?
Clean-up and Trash Removal		
Improved Water Quality		
Erosion and Sediment Control		
Terrestrial Habitat Enhancement		
Aquatic Habitat Enhancement		
Water Management		
Public Natural / Recreation Areas		
Increased Public Awareness		
Other		

3. What can the City do to contribute to the health of the watershed?

4. What can residents do to contribute to the health of the watershed?

5. There were a series of public forums mentioned tonight. Please place your level of interest (1, 2 or 3) by the topics below.

1 = knowledgeable
-could contribute

2 = directly interested
-would participate

3 = somewhat interested
- if schedule allows

My Interest	Topics	Comments
	Homeowner bank repair	
	Native plants	
	Easy opportunities to improve water quality	
	Flood proofing	
	Homeowner integrated pest management	
	Fire management	
	Watershed walking tours	
	Other	

6. Would you be interested in assisting the City Creeks Division by sharing your knowledge about the land and cultural history, creek flows, water pollution, wildlife, and recreation? How would you like us to contact you?

7. What concerns do you have about the Creeks Division developing watershed action plans?

8. Additional ideas, comments or questions?

9. Would you like to be on our email list or direct mail list?
(please provide appropriate information below)
